Social Media: Instagram, Meta Business Suite, Posting Consistency, Brand Voice, Trend Research, Audience Targeting, Community Engagement

Analytics: Instagram Insights, Google Analytics 4 (GA4), Engagement Rate and Follower Growth Tracking, Monthly Performance Reports

Tools: Canva, Photoshop, CapCut, InShot, ChatGPT, Perplexity

EXPERIENCE

Social Media Manager

Divjot (Bag Brand), Paid Project | August 2026

- Published **20 feed posts** (reels, carousels, static posts) plus daily stories in one month, at **5–6 posts per week with no missed days**.
- Replaced irregular posting with structured content pillars, growing followers and engagement through consistent publishing.
- Wrote captions and drafted reels and posts for Back-to-School, Independence Day, and product-drop campaigns, targeting parents, college students, and gift buyers.
- Used trending audio and identity-focused hooks, the reel format that drove the highest top-of-funnel reach, and reported findings and recommendations monthly.

Social Media Content Creator & Strategist

College Societies (CCF, Fotografica, Enactus, Aahira) | 2024 – 2026

- Planned, created, and scheduled reels, carousels, and interactive stories, including behind-the-scenes formats, as part of each society's social media team.
- Built weekly content calendars aligned with college events, keeping posting frequency and brand tone consistent.
- Wrote copy, shot and edited video, designed posts in Canva, and tracked Instagram Insights (reach, impressions, engagement rate) to refine content.
- Worked with creative and operations teams to align content with offline event campaigns, keeping brand voice consistent across pages with standardised visual guidelines.

Marketing and Social Media Volunteer

Hindi Bhawan, BVM Student Wing | April – June 2026

- Supported content ideation and social media execution for institutional events and campaigns.

EDUCATION

B.S. Digital Marketing & Data Analytics
